**RE: Notice of Owner's Inspection Due  
 Yesterday South Lake Dam (MS00067)  
 Senatobia, Tate County, Mississippi**

Dear Ms. Kallos:

This letter is to remind you that the above referenced dam is scheduled for inspection during the first quarter of 2022. Based on a records review, an **Owner's Inspection** is required for your dam at this time. The completed Owner's Inspection form with accompanying photographs of the dam should be submitted to our office for review and approval by **March 31, 2022**. The results of the inspection must be recorded using our inspection forms which are publicly available on the MDEQ Dam Safety website at the following web link:

[https://www.mdeq.ms.gov/wp-content/uploads/2017/05/OWNERS\\_INSPECTION\\_CHECKLIST2015.doc](https://www.mdeq.ms.gov/wp-content/uploads/2017/05/OWNERS_INSPECTION_CHECKLIST2015.doc)

If you would like MDEQ Dam Safety to assist in the completion of an Owner's Inspection, please notify your regional manager and a meeting time will be arranged. Below is a timeline of inspections due over the course of the next five years:

<b>Year</b>	<b>Inspection Due</b>
2022	Owner
2023	Owner
2024	FORMAL
2025	Owner
2026	Owner

I am the Mississippi Regional Manager for your area, and if you have any questions or require any assistance please contact me at (601) 961-5061 or dpatton@mdeq.ms.gov. You may also contact the Dam Safety Division Chief, William McKercher, at (601) 961-5207 or wmckercher@mdeq.ms.gov.

Sincerely,
