**RE: Yesterday Lake Dam (MS00067)**  
**Senatobia, Tate County, Mississippi**  
**Notice of Owner's Inspection Due**

Dear Ms. Kallos:

This letter is to remind you that the above referenced dam is scheduled for inspection during the 1st quarter of 2025. Based on a records review, an **Owner's Inspection** is required for your dam at this time. The completed Owner's Inspection form with accompanying photographs of the dam should be submitted to our office for review and approval by **March 31, 2025**. The results of the inspection must be recorded using our inspection forms which are publicly available on the MDEQ Dam Safety website at the following web link:

[https://www.mdeq.ms.gov/wp-content/uploads/2017/05/OWNERS\\_INSPECTION\\_CHECKLIST2015.doc](https://www.mdeq.ms.gov/wp-content/uploads/2017/05/OWNERS_INSPECTION_CHECKLIST2015.doc)

Also included with this letter is a layout of the locations of where inspection photographs are recommended to be taken. If you would like MDEQ Dam Safety to assist in the completion of an Owner's Inspection, please notify your regional manager and a meeting time will be arranged.

You can email the inspection report to one of the emails listed below or you can mail in a copy of the report to P.O. Box 2309, Jackson, MS, 39225, Attn: Dam Safety Division.

Below is a timeline of inspections due over the course of the next five years:

<b>Year</b>	<b>Inspection Due</b>
2026	Owner's
2027	Owner's
2028	Owner's
2029	Formal
2030	Owner's
